Cincinnati, Ohio 45239-8705

RE: OU 3 Laboratory Complex  
Project Completion Report  
RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the Operable Unit (OU) 3 Project Completion Report for the laboratory complex Decontamination and Dismantlement (D&D) project.

The RTC and change pages adequately address U.S. EPA's previous comments. Therefore U.S. EPA approves the OU 3 Laboratory Complex completion report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric  
Remedial Project Manager  
Federal Facilities Section  
SFD Remedial Response Branch #2
